'The Real Thing' Albariño 2022

Albariño has its origins in Galicia, Spain and also Minho region in Portugal (where it is known as Alvarinho).

The first vines brought in to Australia actually proved to be Savagnin after CSIRO testing, so this has been a long over 10 years wait for us - It was worth the wait! We are excited to release our fourth vintage of the only Adelaide Hills Albariño.

The wine is unique and intriguing with aromas of citrusy lime and stone fruit that lead to a similar palate with mineral complexities and a dry finish. The perfect match to seafood.

Estate Grown, Vegan and single vineyard.

Wine Specs

Vintage	2022
